DR. LEE T. TODD, JR., PRESIDENT

Lee T. Todd, Jr. became the 11th president of the University of Kentucky on July 1, 2001, after serving as senior vice president of IBM's Lotus Development Corp. President Todd is the sixth UK alumnus to

hold the presidency.

President Todd has concentrated his efforts and energies on helping his alma mater achieve a greater level of national prominence. He launched the University of Kentucky's Top 20 Business Plan in December 2005. The plan is a quantitative analysis highlighting what it will take for UK to achieve its state-mandated goal of building a Top 20 public research university. Widely hailed as the first business plan by a public university in the nation, UK's plan garnered widespread national attention. It has been featured by national media outlets and recognized by peer institutions, as several higher education leaders have visited UK's campus to learn more about the Business Plan approach.

He continues to champion UK's outreach efforts. President Todd launched a university-funded research program called the Commonwealth Collaboratives. The initiative features 36 of UK's top research teams, who are focused on solving the intrinsic problems that have held the state back from reaching its full potential. It is part of UK's effort to ensure that its research hits the ground in Kentucky and changes lives

throughout the Commonwealth.

President Todd has spearheaded an effort to revitalize health care in Kentucky. In June 2006, UK unveiled the Commonwealth's Medical Campus of the Future, a multi-phased project aimed at providing Kentuckians with cutting-edge, 21st century health care. As part of the revamped academic medical campus, UK will construct a new, one million square foot University of Kentucky Albert B. Chandler Hospital and a new College of Pharmacy.

President Todd is currently a member of the Board of Directors and Vice Chair of the Executive Committee for the National Association of State Universities and Land-Grant Colleges (NASULGC). He is President of the Southeastern Conference (SEC) Executive Committee. President Todd serves on the Equitable Resources Board of Directors and is chair of the Kentucky Council on Postsecondary Education's STEM (Science, Technology, Engineering, and Mathematics) Task Force. He is chair of the National Consortium for Continuous Improvement in Higher Education's

(NCCI) Leveraging Excellence Award selection panel. President Todd also is a member of the Business Higher Education Forum and the Council on Competitiveness.

He is married to the former Patricia Brantley, a UK graduate who earned her master's degree from Simmons College in Boston. They have two adult children, UK graduates Troy and Kathryn.

2008 KENTUCKY MEN'S SOCCER

MITCH BARNHART, DIRECTOR OF ATHLETICS

Mitch Barnhart is in his seventh year as Director of Athletics for the University of Kentucky, having set a clear course for making Kentucky one of the top athletics programs in the country.

Hired July 15, 2002,

Barnhart has made the desire for overall excellence the cornerstone of Wildcat Athletics. His decision to fully fund all 22 varsity sports has produced a wave of firsts in a number of programs, while also allowing UK to achieve at a consistently high level.

Numerous sports have reached never-before-seen levels of success. Baseball won the school's first-ever Southeastern Conference title in 2006, following in the SEC championship footsteps of women's tennis, men's golf and men's basketball

from 2005. Four Wildcat coaches earned SEC Coach of the Year honors in 2005-06.

The women's soccer and rifle teams added league titles in 2006-07, with conference Coach of the Year honors going to Warren Lipka and Harry Mullins, respectively.

Perhaps the biggest on-field turnaround besides baseball has been in football, where Rich Brooks has led the Wildcats to back-to-back bowl wins (2006 and 2007) for the first time in more than 50 years. Barnhart's support of Brooks and his staff has manifested itself in a string of wins over traditional football powers, including a victory over top-ranked LSU in October 2007.

Financially, Barnhart instructed his staff to seek out new revenue streams, and that resulted in a record \$80 million multimedia rights agreement with Host Communications (now IMG College). The additional resources allow UK to continue its commitment to its student-athletes, a commitment Barnhart takes personally. Athletics spends \$1.5 million annually on its nationally-renowned CATS Academic Center and each spring hosts the CATSPYs, an awards program designed to recognize the very best in UK Athletics.

Other initiatives begun under Barnhart's leadership include the Big Blue Caravan, which connects UK to its vast fan base, the UK Athletics Hall of Fame, which honors past greats across all sports, a revamping of UK's donor program that has resulted in record K Fund dollars, and a 10-year, \$10-million commitment to help fund the University's general scholarship program. UK also completed the Joe Craft Center, a \$30 million expansion of Memorial Coliseum that includes new practice and office space for a variety of sports.

Barnhart's connection to UK's student-athlete is evident by his personal interaction and commitment to provide all support services necessary to meet the needs of these students.

Barnhart arrived at Kentucky from Oregon State, where he served four successful years (1998-2002) as athletics director. Before his tenure at OSU, he worked at Tennessee for 12 years (1986-98); served as assistant executive director of the SMU Mustang Club (1983-86); regional director for the Duck Athletic Fund at Oregon (1983); and was an intern for the Aztec Athletic Foundation at San Diego State (1982-1983). Barnhart, 48, is a native of Kansas City, Kan. He received his bachelor degree from Ottawa University (Kansas) in 1981 and a masters in sports administration from Ohio University in 1982. He and his wife, the former Connie Brown, have three children, Kirby, 20, Blaire, 17, and Scott, 14.

2008 KENTUCKY MEN'S SOCCER

SOCCER CAMPS

The University of Kentucky Soccer Camp is designed to challenge youngsters to improve their abilities as soccer players. Training is designed to help both individual and team aspects of the game.

Led by the UK coaching staff, the camp provides intense individual training by enlisting the help of additional college, club and high school coaches, along with current collegiate players.

For field players, the camp stresses passing, receiving, finishing and heading, and practice these skills in small-sided and full-sided games. The camp also provides specialized goalkeeper training through a blend of training in fundamentals and game experience.

The camp offers technical and tactical development, highly challenging competition and fitness training while practicing at the UK Soccer Complex.

The University of Kentucky Soccer Camp also provides a seminar for players interested in pursuing soccer on the college level. The seminar discusses the many sides of college soccer, including different levels of play, how to contact college coaches, what scholarships and financial aid may be available, and information on college admissions.

Prepare for the season with an exciting summer of soccer at the UK Soccer Camps.

For 2008-09 Kentucky Soccer Camp dates and information, please visit ukathletics.com, or call the UK soccer office at (859) 257-4059.
