

Wow! I can not believe the 2007-08 UK Hoops season is just around the corner. I want to take this opportunity to thank you for your continued support of Kentucky Women's Basketball. Your past contributions to the UK Hoops program have helped to offset the costs of supplies, renovations, staffing needs and additional equipment not included in the budget.

We are excited about the changes to the program and the Victory Club. It is our hope to have more members involved in the leadership of the club. We also hope to have more activities and opportunities for you to interact with our program. Please take a moment to see what membership in the Victory Club has to offer. If you have questions, please do not hesitate to call our office at 859.257.6046.

We look forward to your continued support as we continue to build our program!

GO CATS!
